

# 6-Week Training Class

The Balls-n-Strikes Baseball Training Program focuses on fundamental development. The success of this program has been proven through player results over the last several years. Players select hitting, pitching, catching or fielding for the ENTIRE 6-week program.

The program is designed for players between the ages of 5 and 13 and incorporates graduation levels so players can build week-to-week and stay on track during these important fundamental development years. Players will be divided into groups of four based on age and ability.
